SIR,—In acknowledging the receipt of your letter of the 19th August 1873, No. 282 E. A., I am directed to invite attention to the views expressed by this Government in letter, dated 15th September 1871, No. 2,350, as also in G. O., No. 1,615, of 20th June 1873, copy of which is herewith forwarded, and to state that His Excellency the Governor in Council sees no necessity for introducing any change in the system which now obtains in this Presidency, under which the services of qualified Accountants are obtained, whose knowledge of the work expected of them would seem from the opinions expressed by the Controller of Public Works Accounts in the papers now submitted to be fully such as to lead this Government to believe that no higher standard of qualification than is secured under the rules in force is needed in the Account Department of this Presidency.

I have the honour to be,
