Proceedings of the Madras Government, Public Works Department, 16th September 1873.

No. 245. Read the following letter from T. MOSS, Esq., Officiating Controller of Public Works Accounts, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Fort St. George, 14th August 1873, No. 2,970 :—

WITH reference to G. O., No. 1,948, of the 5th instant, I have the honour to inquire whether I am right in supposing that the Government did not fix on the sub-head "*Miscellaneous*" under which the receipts from the Municipality of Masulipatam should be credited, but simply intended that the receipts should be credited as revenue to the eastern section of the Kistna Delta.

2. I ask the question because "Miscellaneous" is one of the sub-heads under *Receipts on Revenue account*. The sub-heads are (1) Special water-rate, (2) Navigation, (3) Water-power, (4) Plantations, (5) Miscellaneous. The first sub-head (Water-rate) appears most appropriate in the present case, and in anticipation of the approval of Government I have adopted it.

No. 246. ORDER THEREON, 16th September 1873, No. 2,291.

IRRIGATION, No. 18.

IT is considered that "Miscellaneous" is the most appropriate sub-head. "Water-rates" represent the returns from irrigation, and are closely connected with areas supplied, so that the mixing up with these of the receipts from town water-supply would not be convenient.

Joint Secretary to Government.

To the Officiating Controller of Public Works Accounts.
