No. 295. Read the following letter from Major J. VERTUE, R.E., District Engineer, Trichinopoly, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Trichinopoly, 29th August 1873, No. 302:—

I HAVE the honour to bring to the notice of Government that, on the 8th July, I have appointed one Venkatrama Iyengar, Assistant Accountant in No. 1 or Trichinopoly Range, to the post of Draughtsman in No. 2 Range, in lieu of one Santha Pillay, who was appointed on the same date to act as Local Fund Surveyor.

2. Although Venkatrama Iyengar has not passed the prescribed test, yet he possesses the qualifications required for that appointment, as will be proved from the enclosed copy of his Service Register; moreover, the duties of the Draughtsman in the Musery Range are checking estimates and assisting the Accountant in the compilation of accounts, and to this effect provision is also made in paragraph 2* of G. O., No. 2,236, of 4th August 1865.

* *Vide* foot note.

3. The Controller, in passing his salary for July 1873, suggests that the sanction of Government be obtained, and I have therefore to request the sanction of Government to the arrangement as a temporary measure for one year, or till the permanent incumbent returns to duty.

No. 296. ORDER THEREON, 18th September 1873, No. 2,317.

ESTABLISHMENT, No. 30.

ALTHOUGH temporary exigencies may have rendered it expedient to employ Venkatrama Iyengar as a Draughtsman and Estimator he cannot be allowed to draw a higher salary than that of his last appointment as an Assistant Accountant until he shall have passed the special qualifying test.
