Proceedings of the Madras Government, Public Works Department, 19th September 1873.

No. 303. Read the following letter from Colonel H. DRUMMOND, R.E., Officiating Deputy Secretary to the Government of India, Public Works Department, (Guaranteed Railways,) to Colonel G. W. WALKER, R.E., Secretary to the Government of Madras, Public Works Department, dated Simla, 27th August 1873, No. 1,510-G. R. :—

I AM directed to acknowledge the receipt of your letter, No. 1,850, dated the 19th July 1873, forwarding for orders copy of a communication from the Consulting Engineer, expressing an opinion on the superior economy of constructing a permanent line of Telegraph, in the first instance, during the construction of a line of Railway.

2. I am to remark that as the Railway between Madras and Cuddalore will follow nearly the route taken by the high road, possibly connections with the Government Telegraph may suffice during Railway construction, and I am to ask if the existing line of wire, with slight additions, will not suffice for the present. A temporary wire will probably be wanted between Cuddalore and Tanjore hereafter.

No. 304. ORDER THEREON, 19th September 1873, No. 2,321.

RAILWAY, No. 44.

COMMUNICATED to the Consulting Engineer for Railways for report with reference to G. O., No. 1,849, dated 19th July 1873.

(True Extract.)

Colonel, R.E.,
Secretary to Government.

To the Consulting Engineer for Railways.
