*Proceedings of the Madras Government, Public Works Department,
19th September 1873.*

No. 308. Read the following endorsement of the Inspecting Engineer for Civil and Military Buildings, dated Chepauk, 6th September 1873, No. 1,065:—

From Major R. F. OAKES, R.E., District Engineer, Tanjore, to Colonel E. A. FOORD, R.E., Inspecting Engineer for Civil and Military Buildings, dated Tanjore, 2nd September 1873, No. 580:—

I HAVE the honour to forward for sanction plan and estimate, amounting to Rupees 200, duly countersigned by the Inspector-General of Jails for making up and fixing an iron gate for the main entrance of the District Jail at Tranquebar. At present a pair of wooden gates is provided at the entrance, and as these, when closed, obstruct the view of the guard from the entrance passage into the Jail enclosure, and are otherwise considered to be unsuited for the purpose for which they are used, the Jail and Police Officers have requested that an iron gate may be provided. The iron gate is to be put up at the inner end of the entrance passage, and the present wooden gates are to be removed to the outer end where they were originally placed and were removed to the inner end when the alterations sanctioned in G. O., No. 2,843, dated 25th November 1870, were carried out.

2. A specification for works of this nature appears to be unnecessary.

THE plan and estimate of Rupees 200 for an iron gate to the District Jail at Tranquebar are forwarded to Government for sanction.

From,

Major R. F. Oakes R.E.
District Engineer, Tanjore.

To,

Colonel C. F. Ford R.E.
Inspecting Engineer Civil &
Military Buildings, Madras.

Sir,

I have the honor to forward for sanction, Plan and Estimate amounting to Rs 200 duly countersigned by the Inspector General of Jails for making up and fixing an iron gate for the main entrance of the District Jail at Thangabar. At present a pair of wooden gates are provided at the entrance and as these, when closed, obstruct the view of the guard from the entrance passage into the jail enclosure and are otherwise considered to be unsuited for the purpose for which they are used, the Jail and Police Officers have requested that an iron gate may be provided.

Enclosed is a letter from
the District Engineer of Tanjore
to the Inspector General of
Jails, No. 11589, dated
24th August 1878.

Enclosed is a letter from
the District Engineer of Tanjore
to the Inspector General of
Jails, No. 11589, dated

Estimated Rs 200.
for Constructing an iron
gate for the main
entrance of the
District Jail -
Tanjore.

provided. The iron gate is to be put
at the inner end of the entrance
passage and the present wooden gates
are to be removed to the outer end where
they were originally placed and were
moved to the inner end when the
alterations sanctioned in G.O. No 2843,
dated 25th November 1870, were carried out.

A specification for works of
this nature appears to be unnecessary.

I have, Sir,
