No. 310. Read the following endorsement of the Chief Secretary, dated 4th September 1873 :—

From N. BAZELY, Esq., Jne., Secretary, Civil Orphan Asylums and St. Mary's Church Charity School, to the Hon. W. HUDLESTON, Chief Secretary to Government, Educational Department, dated Madras, 1st September 1873.

THE Directors of the Civil Orphan Asylum observing that the Agents of the Carnatic Railway have taken the initiative in marking the line of rail have respectfully to request the Right Honourable the Governor in Council will be pleased to issue such orders as shall prevent the Asylum from experiencing any inconvenince.

2. The Directors believe it has been decided that a good portion of the Asylum's compound on the Poonamallee Road side is to be taken up for the purposes of the Railway, and that the paddy-field and the Male Asylum Road on the south are to be given in exchange; the whole to be converted into a play-ground by the Railway Company before being attached to the Institution. The Directors would respectfully submit that the order in which these arrangements are to be carried out is of importance to the Asylum, for unless the intended play-ground on the south be made available before that on the Poonamallee Road side is taken away the boys will be deprived of their out-door recreations, considered so materially conducive to their health; and having in view the Order* of Government, 6th February 1873, No. 43, Educational Department, the Directors are apprehensive that should the anticipation of that order be realized, the inconveniences to which the boys will be put will be considerably enhanced.

* Directing that pending the final decision of the Government of India on the report of the Lawrence Asylums Commission, the present arrangements at the Military Male Orphan Asylum premises in Madras must be held liable to modification, and the re-occupation of the Civil Orphan Asylum buildings for some of the children may become necessary.

3. The Directors therefore respectfully solicit that the Right Honourable the Governor in Council will be pleased to direct that the play-ground on the Male Asylum Road side be made over to the Asylum before the present one is taken possession of by the Railway Authorities.

TRANSFERRED to the Department, Public Works for disposal.
