No. 320 A. Read the following letter from R. E. NORFOR, Esq., District Engineer, South Arcot, to Colonel G. W. WALKER, R.E., Chief Engineer, Public Works Department, dated Cuddalore, 3rd September 1873, No. 93 :—

I HAVE the honour to bring to your notice that the Draughtsman on the temporary Survey Establishment employed on the storage project of the Pelandorai Anicut complains of the non-receipt of salary due to him for the last four months. A statement for the continuance of this establishment in the current year was submitted to the Controller from this office on the 5th May last; this statement appears to have been transferred to the Chief Engineer for Irrigation, but as the orders of Government have not yet been passed thereon, the Range Officer cannot disburse the pay due to the establishment in question.

2. I have, as an exceptional case, authorized the Range Officer to disburse the salary actually due, debiting the amount to "Miscellaneous Advances," until orders are passed on my statement above alluded to.

No. 320 B. ORDER THEREON, 19th September 1873, No. 2,330 A.
