*Proceedings of the Madras Government, Public Works Department,
22nd September 1873.*

No. 347. Read the following endorsement of the Chief Secretary to Government, dated 8th September 1873 :—

Read the following letter from R. W. BARLOW, Esq., Acting Collector of the Chingleput District, to the Honourable W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Sydapet, 3rd September 1873, No. 83.

In continuation of my letter of the 23rd ultimo, No. 80, I have the honour to state that the Agent and Manager of the Carnatic Railway Company, in his letter to the Consulting Engineer for Railways, dated 1st instant, No. 272, writes as follows :—

“ As you are aware a large quantity of rails were to be ready for shipment from England about this time, and I am most anxious that as large a portion of the earthwork as possible should be in so forward a state as to permit of them being laid at the earliest moment after arrival, I hope, therefore, you will be able to move the authorities to put us in possession of the land, at least from Madras to Chingleput, forthwith.”

2. Under the urgency of the case, the Consulting Engineer requests* me to arrange for the land in question being given over to the Company without delay.

* In No. 830, dated 1st instant.

3. With a view to enable me to do this, I think it necessary that the provisions of Section 17, Act X. of 1870, should be put in force, and I accordingly request that permission may be granted to take up the lands under the said Section. Their extent and the names of villages in which they are situate are shown in the annexed schedule.

TRANSFERRED to the Public Works Department for disposal.

(Signed) W. HUDLESTON,
Chief Secretary.
