*Proceedings of the Madras Government, Public Works Department,
22nd September 1873.*

No. 351. Read the following endorsement of the Officiating District Engineer, South Arcot, dated Cuddalore, 4th September 1873, No. 94 :—
From Mr. G. E. WIFFEN, Sub-Engineer in charge of No. 1 or Cuddalore Range, South Arcot, to R. E. NORFOR, Esq., Officiating District Engineer, South Arcot, dated Camp at Pettah, 1st September 1873.

I HAVE the honour to bring to your notice that since I have had charge of the No. 3 Range in addition to my own No. 1, there being no office even for the No. 1 Range Accountants, I have been obliged to pitch my own tent for their use, and to give up part of my bungalow for the use of the office. I therefore respectfully beg to request that you will apply to Government for an addition to my travelling allowance, or if that is inadmissible for office-rent at Rupees 20 per mensem, as that I consider is the actual cost to me now for providing office-room. I am working the two ranges, and it is impossible for me to have one office at Virdachellum and another at Cuddalore. I am obliged to have both with me, and I think it only fair that I should be recouped for the extra expense I am put to, as I do not get one pie for working the two ranges, although it is on the average 80 Rupees a month out of my pocket.

FORWARDED for the favourable consideration and orders of Government.
(Signed) R. E. NORFOR,
Officiating District Engineer, South Arcot.

No. 352. ORDER THEREON, 22nd September 1873, No. 2,348.

ESTABLISHMENT, No. 38.

THERE being a Sub-Divisional Officer in each of the ranges held by Mr. Sub-Engineer Wiffen, His Excellency the Governor in Council is at a loss to understand why the charge of both ranges should have been put upon him. If neither of these subordinates is considered by the District Engineer competent for the temporary charge, he will assume charge of the Virdachellum Range himself in addition to his district duties.

2. Meanwhile Rupees 20 office rent will be passed to Mr. Wiffen.
