*Proceedings of the Madras Government, Public Works Department,  
23rd September 1873.*

No. 360. Read the following endorsement of the Inspecting Engineer for Civil and Military Buildings, dated Chepauk, 4th September 1873, No. 1,052:—  
From Lieutenant-Colonel J. GODDARD, R.E., District Engineer, Presidency, to Colonel E. A. FOORD, R.E., Inspecting Engineer for Civil and Military Buildings, dated Fort St. George, 26th August 1873, No. 2,512.

With reference to your letter No. 949, dated 15th August 1873, I have the honour to submit copies of correspondence explaining the object and necessity of the works provided for in the two estimates of Rupees 470 each for wooden stands for ammunition boxes for Infantry and Artillery Magazines in the Fort.

2. They were prepared in conformity with instructions in paragraph 321 of the Musketry Regulations.

3. These stands, in tiers, for two Native Infantry Regiments at Madras were approved of by His Excellency the Commander-in-Chief and Government.

4. There are no funds at my disposal to meet the cost of these estimates, I beg that application may therefore be made to Government for funds from any source at their disposal.

The two plans and estimates of Rupees 470 each for wooden stands for the Infantry and Artillery Magazines at Fort St. George are forwarded for the sanction of Government. These documents have met with the approval of His Excellency the Commander-in-Chief.

2 Plans.  
2 Estimates.  
2 Specifications.

2. The boxes are required for the storage of small arm ammunition.
