No. 374. Read the following letter from Colonel E. A. FOORD, R.E., Inspecting Engineer for Civil and Military Buildings, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Chepauk, 4th September 1873, No. 1,051 :—

I HAVE the honour to forward, for the sanction of Government, an estimate of Rupees 460, accompanied by a plan and specification, for constructing a road of approach to the new Rifle Range near Vizagapatam.

- 1 Plan.
- 1 Estimate.
- 1 Specification.

2. At present there is nothing but a track leading from the main road (*i.e.*, the road from Vizagapatam to Vizianagram) to the new butt. The Brigadier General Commanding the Northern District, therefore, considers it absolutely necessary that a good road should be constructed to enable the Native Infantry Regiment to march to and from ball practice without difficulty.

3. The plan and estimate have met with the approval of His Excellency the Commander-in-Chief.
