*Proceedings of the Madras Government, Public Works Department,
26th September 1873.*

No. 412A.

Under date the 26th September 1873, No. 2,379A.

CIVIL WORKS, No. 29A.

THE Inspecting Engineer for Buildings is directed to arrange with the District Engineer of Chingleput for the immediate substitution of a boarded floor for the existing chunam floor of the centre room or hall between the drawing and dining-rooms of the Government House at Guindy. The floor to be laid of seasoned teak-wood planks, of even width, not exceeding 6 inches, to be tongued and grooved, to show no nails on the surface, and to be completed by the 31st October.

2. No other Imperial Funds being available, the cost of the work, which will be reported at an early date, will be met by a transfer from the Budget allotment for the new Telegraph Office at Madras, subject to approval by the Government of India.
