*Proceedings of the Madras Government, Public Works Department,
29th September 1873.*

No. 419. Read the following letter from Colonel H. DRUMMOND, R.E., Officiating Deputy Secretary to the Government of India, Public Works Department, (Guaranteed Railways,) to Colonel G. W. WALKER, R.E., Secretary to the Government of Madras, Public Works Department, (Railway,) dated Simla, 3rd September 1873, No. 1,550 G. R:—

I AM directed to acknowledge the receipt of your letter, No. 1,968, of the 7th August 1873, submitting for sanction an estimate, amounting to Rupees 14,743, for fitting additional brake gear to fifty-six of the Madras Railway locomotives.

2. In conveying the sanction of the Government of India to this expenditure, I am directed to state that the gradual addition of the proposed screw brake gear at a cost of Rupees 264 per engine is, in the opinion of the Government of India, properly chargeable to "Revenue," as a minor improvement, the charge being extended over as long a period as may be deemed desirable.
