Proceedings of the Madras Government, Public Works Department,
29th September 1873.

No. 423. Read the following letter from Lieutenant-Colonel J. F. FISCHER, R.E., District Engineer, Godavery, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Dowlaishweram, 2nd September 1873, No. 1,727 :—

I HAVE the honour to inform you that Rupees 1,000 on account of charges incurred in shipping boilers for the steamers in this district were debited to the Public Works Department in the Civil Accounts for April 1873, and a corresponding credit was given to the Civil Department in No. 1 Range Accounts for July 1873, debited it to the Budget head of service, viz., "Tools and Plant." I therefore request you will be good enough to allot funds for the same from "Tools and Plant" at the disposal of Government to enable the Controller of Public Works Accounts to admit expenditure under that head.

No. 424. ORDER THEREON, 29th September 1873, No. 2,385.

ACCOUNT, No. 30.

THERE being no funds available under Tools and Plant, Imperial Ordinary, provision will be made for this charge by a transfer of Rupees 1,000 from Repairs, Agricultural, at the disposal of the Chief Engineer for Irrigation to that head, subject to the confirmation of the Government of India.

2. It is necessary to point out that, as certain of the floating plant attached to the Godavery is employed on Harbour work, and other on river and canal service in connection with the delta, it is requisite that all applications for funds should show to what works, whether irrigation or other, and under irrigation to what specific works, the charge is debitable, and the District Engineer should now furnish the omitted information.
