*Proceedings of the Madras Government, Public Works Department,
30th September 1873.*

No. 453. Read the following letter from T. MOSS, Esq., Officiating Controller of Public Works Accounts, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Fort St. George, 4th September 1873, No. 3,456 :—

This office has had to object to advances made to members of the Public Works Department under the sanction of District Engineers, and as the doing so is a mere formality which results in the confirmation by Government of the advances made, it has occurred to me to suggest, for the consideration of Government, that District Engineers be authorized to sanction an advance of pay to any person employed on the *fixed* establishment of their respective districts who can show sufficient reason for requiring it to the extent of one month's salary, the advance to be recovered by instalments within six months at latest.

2. If the above proposal be approved, the Government would not be troubled with formal references, and this office, instead of raising objections, would simply see to the recovery of the advances by instalments.

No. 454. ORDER THEREON, 30th September 1873, No. 2,400.

ACCOUNT, No. 35.

THE Government see no reason to relax the Standing Orders of the Department regarding advances which were approved of in G. O., No. 3,909, dated 15th December 1868.

(True Extract.)

Colonel, R.E.,
Secretary to Government.

To the Officiating Controller of Public Works Accounts.

Office of the Controller of
Public Works Accounts,
No 3456 Fort St. George, 4th September 1873

From
The Off. Controller of
Public Works Accounts.

To
The Secretary to Government,
Public Works Department,
Fort St. George.

Sir,

This office has had to
object to advances made to member
of the Public Works Department under
the sanction of District Engineers,
and as the doing so is a mere
formality which results in the
confirmation by Government of the
advances made, it has occurred

to me to suggest for the consideration
of Government that District Engineers
be authorized to sanction an advance
of pay to any person employed on
the fixed Establishment of their
respective Districts who can show
sufficient reason for requiring it to
the extent of one month's salary -
the advance to be recovered by
instalments within 12 months at
latest.

2. If the above proposal be
approved, the Government would
not be troubled with formal references,
and this office instead of raising
objections would simply see to the
recovery of the advances by instalments.

I have the honor to be

Sir
Your most obedient servant
J. W. J.
