ENCLO.

Sir,

I have the honor to bring to the notice of Government that our Lieutenant Longley joining this District and proceeding to the No 3 Range to take up his duties there, I permitted him to entertain the establishment as per margin, under the sanction given in G. The Controller has however declined to pass any salary to the establishment in question without the Special sanction of Government as the order is quoted, as my authority for entertaining that establishment, that officer states, is superseded by G. O. No 770 dated 11th March

If the Government however intended that their order quoted by me was to be superseded by that issued in March 1873, I beg to respectfully observe, that it would have been so done by cancelling the first.
