*Proceedings of the Madras Government, Public Works Department,
1st October 1873.*

No. 9. Read the following letter from Colonel E. A. FOORD, R.E. Inspecting Engineer for Civil and Military Buildings, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department dated Chepauk, 13th September 1873, No. 1,106:—

I HAVE the honour to forward, for the sanction of Government, a plan and estimate of Rupees 120 for putting perforated copper sheets to the outside of the windows of laboratory at Trichinopoly, and wire fencing at some distance

1 Plan.
1 Estimate.
1 Specification.

from the same. The plan and estimate have met with the approval of His Excellency the Commander-in-Chief.

No. 10. ORDER THEREON, 1st October 1873, No. 2,405.

MILITARY WORKS, No. 2.

SANCTIONED for execution from the grant for "Minor New Works" under "Military" at the District Engineer's disposal.

(True Extract.)

Colonel R.E.,
Secretary to Government.

To the Inspecting Engineer for Buildings.
,, District Engineer, Trichinopoly.
,, Officiating Controller of Public Works Accounts.
,, Military Department.

Exd. W. H. French.
Spare Copies.

Dated August 11th 1873
9 September 1873

Report is now being the
estimate of \$120.00 for putting
Copper sheet to the inside of the windows
of the Laboratory and wire fencing a
certain distance away from the same.

To insure security to the windows
of the Laboratory of the Prunice depot
which is close to the high road, it is
proposed to have them sheathed with per-
forated Copper plates on the outside, the
same to be nailed down to the oak wood
frames as provided in the estimate.

The Laboratory will also be
enclosed to a distance of 25 feet from
the windows with wire fencing (Railway
pattern). The fencing will be composed
of one or training pillar & stanchions
and 5 granite stones the back for
keeping up the longitudinal wires
tight at the angles of the members.

The perforated Copper sheet
will be procured from the Madras
Market, and the wire fencing materials
from the Railway Company at the
rates noted in the estimate.

20

The certificate is framed on a
resolution from the Brigadier General
Commanding the District, and in
consultation with the Ordnance Officer
of the Depot at this station.
