*Proceedings of the Madras Government, Public Works Department,
4th October 1873.*

No. 74. Read the following letter from Colonel H. DRUMMOND, R.E.,
Officiating Deputy Secretary to the Government of India, Public
Works Department (Guaranteed Railways), to Colonel G. W. WALKER,
R.E., Secretary to the Government of Madras, Public Works Depart-
ment (Railway), dated Simla, 11th September 1873, No. 1,592-G. R. :—

I AM directed to acknowledge the receipt of your No. 2,077, dated the 20th
August 1873, with annexures, and, in reply, to state that the Government of
India notice the want of progress displayed in the construction of the Carnatic
Railway for the quarter ended the 30th June 1873.

2. It appears that Rupees 26,562-7-7 has been expended on Establishment,
against Rupees 2,549-14-5 only for work done, and I am to inquire whether in
addition to re-staking the line and lock-spitting the boundaries, the Government
of Madras do not consider that some progress might advantageously be made in
the preparation of materials.
