*Proceedings of the Madras Government, Public Works Department,

No. 97. Read the following endorsement of the Inspecting Engineer for Civil and Military Buildings, dated Chepauk, 20th September 1873, No. 1,156:—

From Lieutenant-Colonel J. GODDARD, R.E., District Engineer, Presidency, to Colonel E. A. FOORD, R.E., Inspecting Engineer for Civil and Military Buildings, dated Fort St. George, 18th September 1873, No. 2,904.

I HAVE the honour to bring to your notice that in G. O., No. 1,724, dated 3rd July 1873, an estimate, amounting to Rupees 255, for constructing a latrine at the General Hospital for the use of the Native followers attached to the 1-21st Fusiliers was sanctioned for execution, but the site selected having been subsequently objected to, it was decided, as recorded in the enclosed proceedings of a Garrison Board, that a portion of one of the latrines on the ground-floor should be appropriated to the Native followers attached to the Military portion of the General Hospital. Accordingly an estimate, amounting to Rupees 14, for converting a portion of the latrine for the use of the Natives in the lower storey of the Military portion of the General Hospital was prepared, and sanctioned by me for execution from the current year's district allotment for Military Minor New Works, the same having been approved of by His Excellency the Commander-in-Chief. I beg, therefore, that the sanction accorded in G. O. above referred to for the construction of a separate latrine may be cancelled.

FORWARDED to Government with a recommendation that the District Engineer's request may be complied with.

Inspecting Engr. for Civil and Military Buildings.
