*Proceedings of the Madras Government, Public Works Department,
7th October 1873.*

No. 113. Read the following Circular letter from the Deputy Secretary to the Government of India, Public Works Department, (Buildings and Roads—Military,) to the Governments of Madras, Bombay, Bengal, North-Western Provinces, and the Punjab; the Chief Commissioners of the Central Provinces, British Burmah, and Oudh; the Resident at Hyderabad; the Agents to the Governor General for Central India and Rajpootana; the Superintendent of Port Blair, and the Inspector-General of Military Works; dated Simla, 27th August 1873, No. 45 P.W :—

REFERRING to the standard plan of quarter guard and cells, issued with Public Works Department Circular No. 49, dated 21st August 1871, I am directed to state, for general information and guidance in regard to the wash-house, that when a pent-roof is provided, the height of walls to tie beam need not be more than 9 feet, but that when the roof is a flat-terraced one, the height to underside of beam should be 12 feet.
