*Proceedings of the Madras Government, Public Works Department,
9th October 1873.*

No. 136. Read the following letter from Lieutenant-Colonel R. A. ROBERTS, R.E., District Engineer, Madura, to Colonel G. W. WALKER, R.E., Chief Engineer, Public Works Department, dated Madura, 16th September 1873, No. 2,617:—

I HAVE the honour to state that on the receipt of G. O., No. 1,974, under date the 8th August 1873, sanctioning funds for tents for each district, a requisition was sent on the Superintendent of Jail at Bangalore for the supply of three tents, viz., one at Rupees 200 and two at Rupees 150 each. That gentleman has forwarded, through his Chief Jailer, the enclosed list, stating that a tent at Rupees 200 is the double fly bechobah, and the next cheapest is the single fly bechobah at Rupees 165. The total value of three tents will accordingly be Rupees 530. But the Government order under reference has sanctioned only Rupees 500 for tents for this district.

2. I may mention here that in the table of distribution of the allotment under "Tools and Plant," attached to the Imperial Budget for 1873-74, no amount has been apportioned under the head "Camp Equipage" for this district.

3. I therefore request that sanction for a further allotment of Rupees 30 may be accorded, so as to enable me to meet the cost of the tents in question.

4. In anticipation of your compliance with this request, I have ventured to request the Jail authorities at Bangalore to forward to my address the three tents of the abovementioned description.

No. 137. ORDER THEREON, 9th October 1873, No. 2,474.

ACCOUNT, No. 11.

THE extra grant of Rupees 30 for office tents required for the Madura District is sanctioned and the amount

will be diverted from the grant under Tools and Plant for the Presidency Store Department.
