*Proceedings of the Madras Government, Public Works Department,
10th October 1873.*

No. 162. Read the following letter from Lieutenant-Colonel J. GODDARD, R.E., District Engineer, Presidency, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Fort St. George, 18th September 1873, No. 2,888 :—

With reference to Public Works Code, Chapter V., paragraph 102, and Chapter XXIV., paragraph 3, Clause I, I have the honour to submit, for your sanction, an estimate, amounting to Rupees 375, for repairing the Marine Police Tannah on the North Beach.

2. The rafters and reapers of the tannah are decayed and require renewal. The cost of the estimate will be met from the current year's Budget allotment for repairs to Police Stations under the head Civil Repairs, Provincial. The estimate is submitted to you as the value of the building is about Rupees 700, and the cost of repairs amounts to more than one-fourth of this sum, and consequently is beyond my powers of sanction.

3. I personally carefully examined the tannah and framed to some extent personally the estimate, and am of opinion that the work should be carried out at once.
