Proceedings of the Madras Government, Public Works Department, 6th January 1873.

No. 46. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 22nd November 1872, No. 3,013 :—

ADVERTING to the ruling in G. O. of the 23rd October 1872, No. 2,499, on the subject of travelling allowance to Medical Subordinates, I have the honor to request I may be informed whether, under the same Chapter, etc., of the Bengal Code, the Hospital Assistant attached to the Public Works Department here can be allowed a permanent travelling allowance, or single horse allowance.

2. My reasons for wishing to secure this allowance to the Medical Subordinate at this station are that he has frequently to travel distances to attend upon subordinates of the department, who are unable, from serious illness, to come into the station for treatment, and also to proceed some miles to attend to injuries received by laborers, which he is not now in a position to do without much delay taking place, and which can be avoided by his being allowed a fixed allowance for the keep of a pony.

No. 47. ORDER THEREON, 6th January 1873, No. 24.

ESTABLISHMENT, No. 4.

His Excellency the Governor in Council is not disposed to establish the inconvenient precedent which is involved in the recommendation made in this letter for the grant of a fixed travelling allowance to the Medical Subordinate at Dowlaishweram.
