*Proceedings of the Madras Government, Public Works Department,
13th October 1873.*

No. 187. Read the following letter from Major J. BEATTY, R.E., District Engineer, Vizagapatam, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Waltair, 28th August 1873, No. 1,182 :—

I HAVE the honour to report that I have been unable to sanction several repair estimates of Civil Buildings, Provincial, owing to want of funds, as the sum of Rupees 1,200,* provided in the current year's Budget for this purpose, has been fully appropriated.

* Minor Repairs to Revenue, etc., Buildings.

2. I observe from the records of this office that the average expenditure of the last three years under this head amounted to Rupees 3,183 as shown in the margin, which sum is in excess of the year's grant by Rupees 1,983.

" 1872-73	...	...	...	2,545

				3,183

3. The cause of the insufficiency of the Budget grant is doubtless attributable to the steady increase of the

number of public buildings in the district in recent years.

4. The additional grant of Rupees 1,333 is now needed to meet the requirements of the district as below stated :—

Estimates now lying in this office unpassed by want of funds	...	...	RS. 939
Balances of sanctioned estimates still to be provided for	...	...	394

Total... 1,333

5. I beg to suggest that this extra grant may be met in part by a transfer of the sum of Rupees 300 allotted for Repairs, Miscellaneous Public Improvements, and to request that the balance, Rupees 1,033, may be provided by transfers from other districts.

No. 188. ORDER THEREON, 13th October 1873, No. 2,501.
