Proceedings of the Madras Government, Public Works Department.
16th October 1873.

No. 234A. Read the following letter from T. MOSS, Esq., Officiating Controller of Public Works Accounts, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Fort St. George, 8th October 1873, No. 4,408:—

WITH reference to G. O., No. 2461A., of the 7th instant, directing that the sanction of the Government of India for an increase to this office establishment "shall be held in abeyance," I have the honour to request the favour of being informed whether or no I am correct in supposing that the sanction is to be held in abeyance only in respect to the permanency of the increase to salaries of men who were on the establishment before receipt of sanction to the revised scale. In other words, that the sanction is *final* as to the money increase, but is *provisional* as to the distribution of the money. I trust that I have correctly understood the Government Order, for I have already made the arrangements described in the copy of the office order submitted with my letter, No. 4,093, of the 30th ultimo, and pay for the past month (September) has been drawn accordingly.

2. I take the opportunity to annex, for the information of Government, a list in which the former and present scale of establishment (including the portion charged exclusively to Local Funds) is shown. The *italic* entries refer to the new men brought into the office consequent on the recent sanction to increase, and column 4 shows the increase to salaries of old members of the establishment.

List of Establishment, including Local, showing increased Salaries and Men recently admitted consequent on the increase.
