*Proceedings of the Madras Government, Public Works Department,
17th October 1873.*

No. 255. Read the following letter from Captain J. L. L. MORANT, R.E., District Engineer, Neilgherries, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Ootacamund, — September 1873, No. 179:—

WHEN you first came to these Hills in May last, you will remember directing me to comply with the request of the Collector of Coimbatore, who asked for the services of my Head Accountant.

2. In obedience to your directions I made arrangements for dispensing with his services.

3. I applied to the Controller for help, but without success.

4. I had therefore to obtain a fresh Clerk for my office, promoting my then Second Accountant to the Head Accountant's place and making other changes. As I was very doubtful of the success of these arrangements I retained my former Head Accountant until I was pretty sure all would go well when he was gone.

5. In keeping him and giving the other clerks, including the new clerk of my office, a trial, I incurred the enclosed expenditure, which, under the special circumstances of the case, I hope you will authorize the Controller to pass.

No. 256. ORDER THEREON, 17th October 1873, No. 2,537.

ACCOUNT, No. 18.
