*Proceedings of the Madras Government, Public Works Department,
18th October 1873.*

No. 310. Read the following endorsement of the Officiating Controller of Public Works Accounts, dated Fort St. George, 22nd September 1873, No. 3,907 :—

From Lieutenant-Colonel J. F. FISCHER, R.E., District Engineer, Godavery, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, through the Officiating Controller of Public Works Accounts, Madras, dated Dowlaishweram, 13th September 1873, No. 1,892.

I HAVE the honour to inform you that a sum of Rupees 30, the travelling allowances of two subordinates of this department, was lost in transmission by Lock Tappal between Cocanada and Covoer. The Lock Superintendents at these places were handed over to the Sub-Magistrate at Cocanada by the Police, and the case after trial was dismissed for want of sufficient evidence. As there was, however, no doubt these men did not enter the amount in question properly in their Tappal Registers, I ordered them to be reduced. This sum now appears under the head "Miscellaneous Advances" in the Accounts of the Officer in Charge of No. 1 Range, and as it will have to be adjusted, I have to request that you will be good enough to obtain the sanction of Government for writing it off to "Profit and Loss."

SUBMITTED to Government with the remark that if the State is to bear the loss, Profit and Loss under "Ordinary" should be debited.

Offg. Controller of Public Works Accounts.
