GROUNDS OF PROPOSITION.

Item 1.—This transfer was made with a view of taking advantage of the season favourable for the earth-work and turfing required in connection with protective works to the Gun-powder Factory at Madras. Budget Item 15, from which funds were appropriated, has been postponed in favour of works more urgently wanted, and the balance of the allotment credited to the Reserve as shown against Item 3.

A saving on Budget Item 8 having been reported, it was utilized in proceeding with the work appearing as Item 2 in this statement.

As funds were urgently required for the completion of the Telegraph Office at Cocanada, and the conversion of the Powder Magazine at Guntoor into a Telegraph Office, the appropriations shown against Items 4 and 5 were made.
