*Proceedings of the Madras Government, Public Works Department,  
27th January 1873.*

---

No. 525. Read the following letter from the Officiating District Engineer, Bellary, to the Secretary to Government, Public Works Department, dated Bellary, 2nd January 1873, No. 2,166:—

I HAVE the honour to solicit the orders of Government with reference to the late Superintending Engineer's endorsement, No. 998, dated 26th August 1871, furnishing the further information called for by Government in G. O., No. 1,141, dated 29th April 1870, in connexion with the estimate for the diversion of the natural drainage near Cullamuddy, in the Bellary District.

No. 526. ORDER THEREON, 27th January 1873, No. 256.

IRRIGATION, No. 48.

UNDER the explanations furnished in the letter from the Acting Collector of Bellary, which was transmitted with the late Superintending Engineer's endorsement, No. 998, dated 26th August 1871, and with reference to G. O., No. 1,141, of the 29th April 1870, the Government sanction the estimate of Rupees 4,750 for diverting the flood-waters which now pass over and injure the lands of Cullamuddy, in the Ghooty Taluq.

2. The District Engineer is authorized to go on with the work at once, and, on his reporting the probable expenditure up to the 31st March, funds under Agricultural, Ordinary, will be appropriated.
