*Proceedings of the Madras Government, Public Works Department,
22nd October 1873.*

No. 358. Read the following letter from Lieutenant-Colonel J. F. FISCHER, R.E., District Engineer, Godavery, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Dowlaishweram, 11th September 1873, No. 1,875 :—

ADVERTING to G. O. of the 25th August 1873, No. 2,124, in which the Government have been pleased to declare that by the recent re-organization officers should suffer no loss of emoluments, I have the honour to submit, for their favourable consideration, my own case.

2. On my return from Nagpore in 1869, the Government were pleased to allow me to draw a personal allowance on the suggestion of the Government of India as contained in their letter printed in G. O., * of the 8th February 1869, No. 395, to make up for the loss I had sustained in having to give up the appointment of Controller.

3. This personal allowance of Rupees 200 a month was passed to me till my promotion to the rank of Lieutenant-Colonel in August 1871 when it was reduced by Rupees 50 a month; as two years have now passed and other officers have been secured in their emoluments, and the Government of India have expressed their full desire that I should be allowed to draw this personal allowance, and to provide for the same, I respectfully trust this Government will now be pleased to extend this indulgence to me. As Controller, 1st class, under any circumstances of re-organization, I could not have been deprived of the staff pay of that appointment; but now for over two years I have been losing at the rate of Rupees 50 a month, though the Government of India, at whose instance alone I was sent to Nagpore, have offered to provide the necessary funds to make good any losses I had incurred.

No. 359. ORDER THEREON, 22nd October 1873, No. 2,578.

ESTABLISHMENT, No. 17.

His Excellency the Governor in Council remarks on this application that Lieutenant-Colonel Fischer's allowances, which were regulated by the Order of the Government of India communicated with G. O., No. 31,88, of 18th December 1871, have not in any way been affected by the recent Order, No. 2,124 of 25th August, on which the application assumes to be based.
