*Proceedings of the Madras Government, Public Works Department,
22nd October 1873.*

No. 378. Read the following letter from Colonel J. BEAN, R.E., District Engineer, Coimbatore, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Coimbatore, 2nd October 1873, No. 53 :—

I HAVE the honour to bring to notice that in the Imperial Budget of this year, sanctioned for this district, a sum of Rupees 225 has been allotted under the head of "Live Stock," and as the amount is not required for this purpose, I beg that I may appropriate it for "Tools and Stores." In the late Superintending Engineer's Budget of 1873-74, a sum of Rupees 144-14-4 was entered for "General Stock" and Rupees 80 for "Live Stock," but in the Government Office the whole amount was entered under the latter head, and under the late Code defining the general duties of District Engineers, paragraph 9, Clause VII., I am not allowed to spend this sum without the orders of Government. The sum of Rupees 80 was applied for by Lieutenant-Colonel Farewell for the purchase of a pair of bullocks for use in the Collegal Range, but they are solely required for Local Fund Works and should be charged to that head.

2. Another sum of Rupees 550 was entered and sanctioned under the general head of "Tools and Plant," minor heading "Camp Equipage," for the purchase of two tents, and Rupees 250 have been spent for the purpose in the Coimbatore Range; but as another tent for the Caroor Range is not required this year, the one in use having been reported as still serviceable, I request that the balance may be appropriated also for "Tools and Stores."

No. 379. ORDER THEREON, 22nd October 1873, No. 2,586.

ACCOUNT, No. 25.

THE proposals involved in this letter are sanctioned. The transfers now authorized will raise the present allotment (Rupees 300) for tools in the Coimbatore District to Rupees 825.
