ESTABLISHMENT, No. 22.

SIR,—In his letter of the 31st July, No. 2,566, recorded in G. O. of 23rd August, No. 2,103, a copy of which accompanies, the Controller of Public Works Accounts brought to notice that a monthly charge of Rupees 8 per mensem was being passed against the head of "Contingencies" on account of two men who were employed in his Office in "rolling, packing, and despatching printed forms to Public Works Officers in the Mofussil." As this arrangement, though alleged to have been adopted on the ground of economy, was opposed to the orders of the Government of India quoted by the Controller, that officer was informed that if the men were *permanently* employed their wages were properly debitable to "Establishments." He has accordingly submitted the accompanying comparative statement exhibiting the excess cost of Rupees 8 under the head of "Establishments," to which I am to request the sanction of the Government of India. The increased charge is only nominal, inasmuch, as stated above, the wages of the men have hitherto been met from the provision for office contingencies, which will in future be relieved of the charge.

I have the honour to be,
Sir,
Your most obedient servant,
