No. 448A. Read the following letter from Captain C. L. HIGHMOOR, for Acting Inspector-General of Police, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 10th October 1873, No. 3,252 :—

I HAVE the honour to forward a list showing the probable sums required for New and Incomplete Works and for Repairs during 1874-75.

	RS.
New Works	77,591
Incomplete Works	10,000
Repairs	12,000

2. In list A, I have included New Works estimated to cost Rupees 77,591 ; but as this sum includes a provision of Rupees 7,640 for the works proposed to be built in the Town of Madras, and as this latter amount far exceeds what can be spared from the district allotments, I have the honour to request that the usual Police grant may be increased accordingly. The cost of Police buildings in Madras Town has hitherto been met from other funds, excepting in last year when being charged to the Police grant for the first time, a special provision was asked for, but the amount was ordered by Government to be included in the Police list of works and has been thus shown in the present list.

3. A detailed statement for the appropriation of Rupees 10,000 allotted for Incomplete Works will be forwarded as usual after the close of the present official year.

4. The addition of the numerous Station houses in the Town of Madras to the annually increasing list of buildings requiring repairs in each district has made it necessary to raise the Repair grant to Rupees 12,000.

5. With reference to G. O. of 7th October 1872, No. 2,340, I beg to remind Government that no funds have been provided up to date for the construction of quarters, etc., for the Assistant Superintendent at Erode ; and, as the urgency of this work still exists, I would recommend a special provision being made in next year's Budget if funds are not likely to be available in the present year.

No. 448B. ORDER THEREON, 27th October 1873, No. 2,623A.

CIVIL WORKS, No. 24A.

LOOKING to the demands for which provision will have to be made from the provincial assignment of next year for other classes of works, His Excellency the Governor in Council is not disposed to increase the grant for Police works beyond the ordinary allotment of Rupees 80,000; which will be distributed between New Works and Repairs in such proportions as the Inspector-General of Police may deem necessary, and will report. Incomplete Works will be provided for separately from the General Reserve, together with all other works in progress for which Budget allotments are not available, on receipt of the usual reports regarding them. In the corrected list of New Works which he will submit at an early date, the Inspector-General will include a sum of Rupees 3,500 for the Assistant Superintendent's Office and house at Erode, the balance of Rupees 4,000 being made immediately available
