Proceedings of the Madras Government, Public Works Department,
27th October 1873.

No. 450A. Read the following letter from Captain H. R. MEAD, R.E., District Engineer, Tanjore, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Tanjore, 18th October 1873, No. 719:—

I HAVE the honour to request that my services may be temporarily placed at the disposal of the Commander-in-Chief for employment at the Camp of Exercise, which is to be held near Bangalore next January.

2. During my absence from the district (which would be but short) I propose that Mr. O'Shaughnessy, Executive Engineer in charge of No. 3 Range, should take charge of the district, and this he could do as Lieutenant Romilly, Assistant Engineer, sub-officer in the range, would be able to carry on his duties as Range Officer.

No. 450B. ORDER THEREON, 27th October 1873, No. 2,624A.

ESTABLISHMENT, No. 27A.

IN complying with the requisition of His Excellency the Commander-in-Chief for the services of Officers of Royal Engineers at the Camp of Exercise, care has been taken to select only officers who had no executive duties to perform, lest the working of the department should be hampered, especially in Irrigation Districts, which have been complained of by the Chief Engineer for Irrigation as short-handed. But as Captain Mead is of opinion that he can make arrangements for the effectual performance of his duties during a short absence (which should little if at all exceed one month), His Excellency the Governor in Council will not object to the offer of his services for that period being made to His Excellency the Commander-in-Chief through the Military Department.
