No. 544. Read the following letter from the Superintendent of Garrison Instruction, to the Secretary to Government, Public Works Department, Madras, dated Simla, —— January 1873, No. 608:—

With reference to letter No. 435, of the 12th October 1872, from the Secretary to the Government of India, Department of Public Works, copy of which has been furnished to your office, I have the honour to append the ruling of the Government in reply to an inquiry from me as to the mode of procedure in renting the houses for the permanent location of the centres of Garrison Instruction in the Bengal Presidency, and to request that you will do me the favour of informing me whether a similar ruling will be approved of by the Madras Government for the centres of Instruction in that Presidency.

No. 545. From the Secretary to the Government of India, Public Works Department, (Account —Buildings and Roads,) to the Superintendent of Garrison Instruction, dated Fort William, 22nd November 1872, No. 443 A. B.

I am directed to acknowledge receipt of your letter No. 523, dated 17th ultimo, regarding the provision of lecture halls and practice grounds for the permanent location of classes of Garrison Instruction at certain stations, and, in reply, am to state that as the sanction of the Government of India, in the Military Department, has been obtained, the necessary building should be hired by Executive Engineers of Cantonments who will disburse the rent and adjust the same under the head of "Repairs Military," as prescribed by Public Works Code, Chapter XI., Section 11.

2. The necessary application for the renting of houses should be made by you to the Inspector-General of Military Works in the stations comprising the Bengal Presidency.

No. 546. Order thereon, 27th January 1873, No. 266.

MILITARY WORKS, No. 14A

As it has been ascertained that no outlay has been incurred under G. O. of 5th June 1872, No. 1,387, on the estimate of Rupees 1,240 for converting the canteen in the old Infantry Barracks at Bangalore into a lecture room for the Garrison Instructor, His Excellency the Governor in Council directs that the work be proceeded with at once in anticipation of a provision of funds, and the District Engineer will report the amount that can be expended this year.
