RESOLUTION by the Government of India, Financial Department, dated Simla,
the 27th September 1873, No. 3,104.

Read—

Section 10 of Act XXIII. of 1871, as follows :—

“The Local Government may, with the consent of the holder, order the whole or any part of
his pension, or grant of money, or land revenue, to be commuted for a lump-sum on such terms
as may seem fit.

RESOLUTION.—The Governor General in Council observes that the only general
rules for the commutation of pensions are those in Chapter XIX. of the Civil
Pension Code. The policy of the Government of India is opposed to the commu-
tation of pensions save under very exceptional circumstances; and His Excellency
in Council, therefore, desires that Local Governments and Administrations will
invariably consult the Government of India before ordering the commutation of
pensions otherwise than as provided for in the Civil Pension Code.

2. This Resolution is not to be understood as interfering with the rules which
have already been issued with the sanction of the Government of India in regard
to the commutation of any special classes of pension in any of the Presidencies or
Provinces.

ORDER.—Ordered that a copy of the foregoing Resolution be forwarded to
the several Departments of the Government of India, the several Local Govern-
ments and Administrations; the Comptroller-General, the several Accountants-
General, and the several Deputy Accountants-General in independent charge.
