PROCEEDINGS OF THE BOARD OF REVENUE, dated 12th September 1873.

Read the following letter from J. B. PENNINGTON, Esq., Acting Collector of Trichinopoly, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 14th August 1873, No. 171 :—

WITH reference to Board's Proceedings, dated 25th June last, I have the honour to annex in the margin a list of the public buildings required in this district, entered in the order in which they should be constructed.

1. Taluq offices for the Trichinopoly Tahsildar and Town Sub-Magistrate.
2. Sub-jail at Ariyalur Deputy-Magistrate's office.
3. Deputy-Tahsildar's office and sub-jail at Turaiyur.
4. Sub-jail at Kilapalur.

2. The Tahsildar of Trichinopoly holds his office at present in an old unventilated low building which forms portion of a ruined pagoda, and it is proposed to fit up a portion of the palace* buildings as offices for the Tahsildar and Town Sub-Magistrate. These offices have been more urgently required than any others in the district ever since new buildings began to be built.

* Lately purchased by Government, *vide* Government Proceedings, dated 8th October 1872, No. 1,363.

3. The present sub-jail at Ariyalur is a miserable hole of a room, about 10 feet square, in the Police-station, and a new sub-jail is urgently required there, because it is the head-quarters of the Deputy-Magistrate.

4. A mantapam, belonging to a pagoda, now serves for the office of the Deputy-Tahsildar and Sub-Magistrate at Turaiyur, and it is, therefore, necessary that an office and sub-jail should at once be built there. Money has been provided for both these buildings in this budget.

5. At Kilapalur to which place Government have sanctioned the transfer of the head-quarters of the Deputy-Tahsildar of Rajandrapatam there is already a well-built public building which was used as a Taluq Cutcherry before the amalgamation of the taluqs in this district, and a sub-jail by the side of it will make it complete for a Deputy-Tahsildar's office with some slight repairs.

6. The new offices at Lalgudi are fast approaching completion, and it does not occur to me that any other buildings are urgently required, except Courts for the District Munsifs, as to which no doubt the Civil Judge will be consulted.

SUBMITTED for the orders of Government.

2. The Board are not aware if any active steps have been taken towards the conversion of the old palace into public offices.
