*Proceedings of the Madras Government, Public Works Department,
3rd November 1873.*

No. 34. Read the following letter from J. W. RUNDALL, Esq., District Engineer, Tinnevely, to Colonel G. W. WALKER, R.E., Chief Engineer, Public Works Department, dated Palamcottah, 11th October 1873, No. 105:—

I HAVE the honour to report that on the 25th ultimo a certificate of unfitness for further service was given by Surgeons Rickard and Cook to Overseer Velayutham Pillay.

2. This was received by me on the 30th. I at once instructed the Range Officer to relieve Velayutham Pillay from all duty, which was finally done on the 6th instant. Pay for Velayutham Pillay has only been drawn up to the 25th ultimo; according to Clause 1, Section 52, of the Civil Pension Code, the sanction of Government is required for pay to be disbursed to any officer after the date of his unfit certificate.

3. It was impossible to relieve the Overseer before he appeared before the Doctors, because it could not be known whether he would or would not be certified as unfit for further service but as soon as possible after the certificate was given he was relieved. I therefore request, as a special case, that pay and travelling allowance may be authorized for the Overseer up to 6th October. His application for pension is under preparation, and will be forwarded in a few days.

No. 35. ORDER THEREON, 3rd November 1873, No. 2,690.

ESTABLISHMENT, No. 5.

UNDER the circumstances reported the Controller of Public Works Accounts will be authorized to pass the Overseer's

pay and allowances up to the 6th October as a special case.
