Dated 11-11-		~~195~~ 1873

Not to be folded or roughly handled

Proceedings of the Madras Government, Public Works Department,
11th November 1873.

No. 172D. Read the following letter from Colonel E. A. FOORD, R.E., Inspecting Engineer for Civil and Military Buildings, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Coonoor, 24th October 1873, No. 1,336 :—

I HAVE the honour to forward, for the sanction of Government, an estimate of Rupees 2,000, accompanied by plan and specification, for constructing five Police huts at Ramandroog in the Bellary District.

2. The cost of these huts is exceptionally high; but provision has been made for constructing them in a substantial manner, as huts of the usual kind will not last in a climate like that of Ramandroog. The plan and estimate have been approved by the Inspector-General of Police, who has informed me that the necessity for providing accommodation for the Police at Ramandroog is urgent. The work has been included in his list for 1874-75 about to be submitted to Government, as there is no probability of sufficient funds becoming available for the same during the current official year.

No. 172E. ORDER THEREON, 11th November 1873, No. 2,749C.

CIVIL WORKS, No. 13A.

THE necessity of providing accommodation of an exceptionally substantial character in a climate like that of Ramandroog is admitted, and the rate of Rupees 400 per hut allowed; and in order that these huts may be ready before next monsoon, the District Engineer of Bellary will be instructed to take the work in hand at once, the usual Police allotment for next year being decreased by the sum he will spend this year which will be reported.

(True Extract.)

Colonel, R.E.,
Secretary to Government.

To the District Engineer, Bellary.
,, Inspecting Engineer for Buildings.
,, Inspector General of Police.
,, Officiating Controller of Public Works Accounts. with abstract estimate
