*Proceedings of the Madras Government, Public Works Department,
28th January 1873.*

No. 565. Read the following letter from the Officiating Deputy Secretary to the Government of India, Public Works Department, (Railway,) to the Secretary to the Government of Madras, Public Works Department, (Railway,) dated Fort William, 30th December 1872, No. 1,940-G.R.:-

I am directed to acknowledge the receipt of your docket, No. 2,838, dated the 4th December 1872, submitting the Accounts of the Carnatic Railway for the first half of 1872, accompanied by a Note by the Deputy Consulting Engineer on the working of the traffic.

2. The Revenue proportions of salaries given in the Distribution Statement No. XV. do not correspond with the amounts shown as the cost of supervision in the Abstracts of the expenditure in the Engineering, Locomotive, and Carriage and Wagon Departments, and I am therefore to invite your attention to paragraph 3 of Public Works Department, No. 683 G. R., dated the 13th May 1872.

3. The Consulting Engineer's certificate as to the condition of the Way, Works, and Stock is not attached to the Accounts as usual. This is doubtless accidental, but I am desired to bring the omission to notice, and also to request that the ton-mileage of goods (which is recorded in one of the statements covered by your endorsement) may be entered in future in Abstract I. instead of the tonnage booked.

No. 566. ORDER THEREON, 28th January 1873, No. 275.
