Proceedings of the Madras Government, Public Works Department, 13th November 1873.

No. 197. Read the following letter from Captain A. EDGCOME, R.E., Officiating District Engineer, Bellary, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Camp at Camalapoor, 29th October 1873, No. 1,298 :—

WITH reference to paragraph 1 of G. O., No. 2,367, dated 26th September 1873, I have the honour to report that necessary steps have been taken to omit the erection of hospital-sheds for the Taluq Cutcherry at Pennacondah and the Sub-Magistrate's Cutcherry at Yemmiganoor. There will be a saving of Rupees 590 in the estimate for the former and Rupees 597 for the latter in consequence of the said arrangement.

2. The construction of the hospital-shed for the Taluq Cutcherry at Raidroog has so far advanced that an outlay of Rupees 388-11-4 has been already incurred, and only a sum of Rupees 73 remains to be spent to complete the work. Orders have been therefore issued for its completion.
