Proceedings of the Madras Government, Public Works Department, 19*th November* 1873.

No. 273. Read the following letter from Major J. N. HUNTER, R.E., District Engineer, Salem, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Salem, 28th October 1873, No. 100 :—

I HAVE the honour to report, for the information of Government, that I have ordered the suspension of Overseer Streenevassaloo Naidoo of Darampoory Taluq for the following reason.

2. The Inspector of Police of Pennagaram Division, Darampoory Taluq, in an Urzi, dated 8th September 1873, brought to my notice that some mortar belonging to the new Deputy Tahsildar's Cutcherry at Pennagaram had been stolen by certain members of this department, and misappropriated to a private chuttrum (village chavady) being constructed by the Sub-Magistrate of that station, and that bricklayers had been employed on it and paid out of the funds placed at the disposal of the Overseer for the new Pennagaram Cutcherry, the Sub-Magistrate being an abettor in the theft.

3. I referred the Urzi to the officer in charge of the Oossoor Range for inquiry and report. That officer now reports that all that the Inspector of Police has brought forward is perfectly true, and that he (Mr. West) has sufficient evidence to convict the Overseer, the Maistry, the Sub-Magistrate, etc., for the alleged theft, and at the same time requests me to authorize him to prosecute the above persons. I have accordingly authorized Supervisor Mr. West to prefer a complaint against them before the Joint Magistrate.

4. The result of the case will be duly reported to Government.
