Proceedings of the Madras Government, Public Works Department, 25th November 1873.

No. 357. Read the following letter from Colonel E. A. FOORD, R.E., Inspecting Engineer for Civil and Military Buildings, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Coonoor, 24th October 1873, No. 1,335 :—

WITH reference to paragraph 2 of the Order of Government of the 10th of October, No. 2,490, I have the honour to state that the Infantry Hospital which it is proposed to convert into lecture halls is not the hospital adjoining the present Infantry Barracks, but a disused building in the lower square of the Infantry Barracks, now Commissariat godowns. I made particular inquiries on this point when the estimate was received by me. I requested the order of Government only on the proposal to repair the old canteen, but mentioned incidentally that a second lecture hall would have to be provided. The repair of the old hospital has not yet been commenced.

No. 358. ORDER THEREON, 25th November 1873, No. 2,849.
