Proceedings of the Madras Government, Public Works Department, 26th November 1873.

No. 388A. Read the following letter from Major J. N. HUNTER, R.E, District Engineer, Salem, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Salem, 20th November 1873, No. 107 :—

I HAVE the honour to inform you that Mr. West complains that during the trial at the Pennagaram Cutcherry, while Overseer Streenevassalu Naidu is under suspension, he has the charge of the trial which absorbs much of his time, the charge of the range and the charge of the taluq, Darampoory, and requests that another Overseer may be appointed to take charge of the taluq for the time.

2. Under Chapter III., Clause 13 of the Public Works Code, I am restrained from making an acting appointment in the case; but in the present instance, as there is a good deal of work going on, and as it is likely to be sometime before Streenevassalu Naidu's case is finally disposed of, I request that I may be allowed to put a man in as a special case.
