WITH reference to the terms under which sanction is given in Government Order No. 2,580, of the 22nd ultimo, to the Chief Engineer for Irrigation for the employment of temporary lascars when travelling with tents, I have the honour to inquire whether it is intended to give the Chief Engineer the aid of lascars for pitching his own private tents, or simply to increase the number of lascars for the care, etc., of office tents. If the former, I beg to suggest that the confirmation of the Government of India be obtained, as under existing rules the travelling allowance of the Chief Engineer is intended to cover all his travelling expenses.
