No. 46. Read the following letter from Lieutenant-Colonel J. H. M. SHAW-STEWART, R.E., Consulting Engineer for Railways, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 19th November 1873, No. 619 :—

In forwarding three registers (to be returned) received from the Collector of Tinnevelly, showing land taken up under Classes A and C for the Southern Extension of the Great Southern of India Railway, I have the honour to request the sanction of Government to the disbursement of Rupees 4,415-3-3.

		Rs.	A.	P.
Class A.				
Register		4,190	0	0
Supplemental Register ...		210	3	3
		4,400	3	3
Class C.				
Supplemental Register ...		15	0	0

2. With reference to an inquiry made as to the apparently disproportionate rate of compensation fixed for some portions of the above land, the Collector replied as follows :—

"The amount of compensation for survey No. 451, viz., Rupees 177-1-2, is the exact amount paid for the land by the owner as per registered bond produced.

"The Rupees 90 entered against No. 15 is for a well that will have to be filled in, and the compensation applied for No. 112 is Rupees 15 for damage done to standing crops.

"The aggregate compensation paid is not excessive and is well within the allotment, while individual cases of large compensation are very few and only occur where the property acquired has a fancy value."

3. The charge can be met from the sum of Rupees 30,000 sanctioned for the Tinnevelly District in the Budget-Estimate for 1873-74.
