B.P. No. 91599.		Mis.
Dated	5 — 12-1873 ~~195~~ .	

Not to be folded or roughly handle

Read the following papers:—

No. 97. From G. S. SAGE, Esq., District Engineer, Cuddapah, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Camp at Madanapally, 31st March 1873, No. 669.

I HAVE the honour to submit, for the sanction of Government, for execution from the grant under New Works for Police buildings for 1873-74, the accompanying two plans and estimates for the construction of the undermentioned buildings in the Jammalamadoogoo Taluq of this district:—

	RS.
Constructing a Station-house at Peddamoodiem	445
Do. do. at Moodanoor	445

2. These estimates have been approved of by the Inspector-General of Police, and the works will be carried out by this department as requested by the Superintendent of Police.

No. 131.

REFERRED to the Inspecting Engineer for Buildings with a view to the plans and estimates being carefully revised in communication with the District Engineer, Cuddapah. They have not been prepared apparently in a Public Works Office, and their amounts are much below the sums allotted for execution of the work by the Police Department, viz., Rupees 700 for each station. Altogether the work proposed to be carried out does not seem to the Chief Engineer likely to result in any credit to the Public Works Department, although he would not object to its being undertaken by the Police themselves.

(Signed) G. W. WALKER, Colonel, R.E.,
Chief Engineer.

8th April 1873.

No. 98. From Colonel E. A. FOORD, R.E., Inspecting Engineer for Civil and Military Buildings, to Colonel G. W. WALKER, R.E., Chief Engineer, Public Works Department, dated Chepauk, 25th November 1873, No. 1,563.

WITH reference to your endorsement, No. 131, dated 8th April 1873, on the accompanying letter from the District Engineer of Cuddapah, I have the honour to forward a revised plan and estimates for constructing Police Station-houses in the undermentioned places in that district:—

1 Letter from District Engineer.
1 Plan.
1 Enlarged Plan of Entrance.
2 Site Plans.
3 Estimates.
3 Specifications.

		RS.
1.	Pendlimurry, Cuddapah Taluq	1,250
2.	Peddamoodiem, Jammalamadoogoo Taluq	1,330
3.	Moodanoor do. do.	1,380
	Total...	3,960

2. The first of these estimates did not accompany the above quoted endorsement, but was received from the District Engineer.

3. The District Engineer has sent only one plan, which will serve for all these buildings, except that the Pendlimurry Station-house is to have concrete under the foundation.

4. The plan and estimates were revised in communication with the Inspector-General of Police, who has approved and countersigned them.

5. The Inspector-General of Police states that funds to the extent of Rs. 2,799 are available from the current year's allotment of the district for the construction of these buildings, and the balance Rupees 1,161 may, as the works progress, be transferred from other districts if forthcoming during the current year, or if not, from next year's grant.

6. If early sanction is accorded to the estimates, the District Engineer proposes to utilize the available sum of Rupees 2,799, by expending a sum of Rs. 933 on each of these three station-houses.

7. A site plan for the Peddamoodiem Station-house will be forwarded as soon as it is received from the District Engineer, who promises to send it shortly.

No. 99. ORDER THEREON, 5th December 1873, No. 2,937.

CIVIL WORKS, No. 6.

THE revised plans and estimates for Police Station-houses at Pendlimurry, Peddamoodiem, and Moodanoor in the Cuddapah District are sanctioned; and the commencement of the buildings authorized in the current official year from the sum of Rupees 2,799 stated on the authority of the Inspector-General to be available from other works in the Cuddapah District, of which Lieutenant-Colonel Drever will submit the particulars. Rupees 1,000 entered in the Budget of 1874-75 for the Pendlimurry Station will be available towards their completion next year.
