*Proceedings of the Madras Government, Public Works Department,
6th December 1873.*

No. 106. Read the following letter from Lieutenant-Colonel J. F. FISCHER, R.E., District Engineer, Godavery, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Dowlaishweram, 4th November 1873, No. 2,365:—

With reference to G. O., No. 2,578, dated 22nd October 1873, I have the honour to state that I did not intend to base my application entirely on the Proceedings of Government of the 25th August last, No. 2,124, but more particularly on the Government of India's letter embodied in G. O., of the 8th February 1869, No. 395, and paragraph 2 of G. O., of the 6th March 1871, No. 658, and to the fact of my having now lost for 2½ years a portion of the personal allowance which the Government of India have declared themselves willing to provide for me, if the Madras Government are pleased to sanction their proposal, so as to place me on the footing which I would have occupied had I not been transferred to the Central Provinces, and it was with a view to obtain this favour that I respectfully submitted an application, and which I trust the Government will now be pleased to submit for the consideration of the Government of India.

2. I beg to add most respectfully that had I not been transferred without any option in the matter to the Central Provinces, I should in all probability have attained the maximum salary of Rupees 1,800 as Controller of Public Works Accounts; taking these circumstances then into their consideration, the Government of India proposed to provide me with full allowances I had drawn as Controller with the consent of this Government, and this, I trust, will now be considerably accorded to me, as besides the losses above mentioned I was put to very great expenses personally on my transfer to Nagpore.

No. 107. ORDER THEREON, 6th December 1873, No. 2,941.

ESTABLISHMENT, No. 6.

LIEUTENANT-COLONEL FISCHER is referred to G. O., No. 1,486, of 31st May 1871, which is affirmed by G. O., No. 1,802, of 7th July 1871, and approved by the letter of the Government of India communicated with G. O., No. 3,188, of 18th December 1871, for the final orders of Government on his case.
