ADVERTING to the correspondence noted in the margin, I am desired to inquire if it would be convenient for the Executive Engineer of Coimbatore to meet the Executive Engineer of the Ashtagram Division to arrange, in consultation, regarding the site to be selected for the bridge over the Honnahully on the proposed district road connecting Yellundoor and Collegal. Sections have been taken, and rough alternative designs will very shortly be ready for the Budget Estimate; but as there are some doubtful points in reference to the approaches to the bridge on the Collegal side, as also in regard to the site itself, the Executive Engineer, Mr. Dobbs, expresses himself desirous of the consultation adverted to.
