Proceedings of the Madras Government, Public Works Department,
8th December 1873.

No. 141. Read the following letter from Colonel C. H. DICKENS, R.A., Secretary to the Government of India, Public Works Department, (Account—Guaranteed Railways,) to Colonel G. W. WALKER, R.E., Secretary to the Government of Madras, Public Works Department, dated Simla, 13th November 1873, No. 546 A.—G.R. :—

I AM directed to acknowledge receipt of your letter, No. 2,498, of the 13th ultimo, (and enclosures,) and to state that the Government of India accept the proposal made by the Government of Madras to permit the arrangement now in force in regard to the distribution between Capital and Revenue of the general charges of the Carnatic Railway to remain undisturbed for the present. I am, however, to inquire whether, as the two Railways are now virtually amalgamated, the percentages approved for the Great Southern of India Railway cannot at once be adopted on the Carnatic Railway so as to obviate further changes.
